Greetings Metro Wood Carvers

A huge thank you goes out to Pat and Fred for working diligently on our show this year. Because of their hard work we had two more tables than last year at seventy-seven tables. The show was a big hit and we had a good profit this year. Many thanks go out to all our volunteers who make it a success. Now we can begin to hone our skills with our new projects for next year. We need a team of two members to volunteer to take over Pat and Fred's show chairmanship as they will be stepping down after the 2020 Show. They have said that they would be happy to mentor our new chair-people to take over in 2021. We will have name tags for our volunteers who work the show competition next year. The call is out!

George Simon has stepped up to be our go-by leader at Chesterfield. The Clinton group is disbanded.

Our club will enjoy John Saarimen's ice cycle demonstration in the Media Room at Lamphere High School, April 9th. Looking forward to that one.

Hope to see all of you at our April meeting.

LUMBER PURCHASE

Some men in a pickup truck drove into a lumberyard. One of the men walked in the office and says, "We need some four-by-twos."

The clerk replies, "You mean two-by-fours, don't you?"

The guy scratches his head and says, "I'll go check," and goes back to the truck.

He returns and says, "Yeah, I meant two-by-four."

"All right. How long do you need them?"

The guy pauses for a minute and says, "I better go check." After a while, he returns to the office and says, "A long time. We're gonna build a house."
