Greetings Friends!

It looks like it will still be awhile before we can meet together. Yet I would like to encourage all of you "stay at homers" to take advantage of the time we have at hand. I have been carving up a storm and I have been in contact with several of you and see that you are doing the same - I was happy to here that . When we finally get to meet we will have a lot to share! The April meeting is of course cancelled. We will be in touch if we have to cancel May as well.

Due to Fred and Pat stepping down this year as Show Chairmen we needed two new volunteers. So Sharon Hill and myself will be Chairpersons staring this year. Sandy Huffman has agreed to slip into the presidents chair so she will be our President for next year. We were planning to nominate her and vote her in in May. Hopefully we will be able to follow thru with that. Long and short- our club is in good shape and intact for 2020-21. Jim Strohmeyer is doing a great job as our treasurer . Bill Meyers is working hard for our club as well. Thank you Sandy Huffman for taking over our last meeting. We look forward to your new commission as President . A great big thanks goes out to Fred and Pat as they worked tirelessly on our 2020 A 40 year Anniversary Show - "@Artistry in Wood". We are grateful even tho Governor Whitmer had to cancel it to keep us safe. Our board members are very invested in keeping our club heathy and running well.

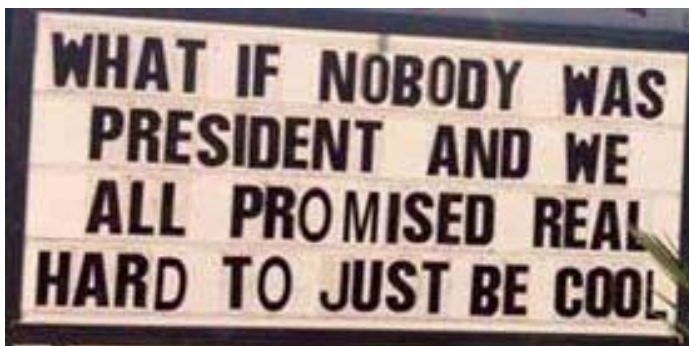

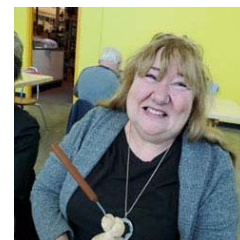

Floyd has said that so far as we know now that he is going to continue to hope for the Floyd Fest to go on as planned. So stay tuned and we will keep you in the know.

Please continue to be safe and smart! We are all in this together and will come out on the other side stronger than ever. Wishing for your continued well being.

I look forward to the day we can meet in person.

Carvingly forward,
Your Prez,

Sandra Doran
