Sad news,

We have lost two of our club members,

Norbert Wisniewski (current
member) and
Art Corker (recent member)

Greetings Fellow Carvers,

Anticipating our being able to meet in the fall we will be able to start where we left off. We are looking forward to a new meeting location and time. New things are coming for our club. We are very excited. Meanwhile, there have been contacts by two people outside our club that I need to bring to your attention. With the covid-19 we have not been able to go to our seminars where we get our woodcarving wood or tools. I want to remind everyone that Frank and Phylis Burghy of Cedar Bird Shop have tools, books, freedom products, wood burning products, and much more. Their number is : 1-989-879-2600 and 1-989-928-4242. Next- if you are interested in bass wood, you can contact fellow carver Al who is retiring to Florida and has bass wood available for a great price. He is offering pieces formally priced at \$40. For half that price. You can contact Al at 1-810-278-0055

Also, there is an interested person who has a limb down that she would like to hire a carver to carve something from this treasured piece of tree. Please contact Megan at : 1-248-650-0835

Floyd Rhadigan is putting together his schedule in the fall to offer various seminars at his studio. We look forward to hearing more about his classes that he will offer.

Keep carving so when we do get together we will have a wonderful exchange of carving experiences.

Have a great summer- we will look forward to our fall meetings. Stay safe out there.

Warmly, Your Prez,
Sandy Doran
