## Dear Metro Friends,

We had a short but sweet Metro meeting. The call has gone out for two volunteers to take Fred and Pats place at heading the 2020 Metro Show. How it works: the 2020 show will serve as training for the 2021 show. Then those two volunteers work that show. And in 2022 they will train the next two volunteers. So it goes! Thereby giving more people the opportunity to have a share in this awesome experience and we share the effort. So let us all think how we can best serve our club. Remember—it takes a village.

We enjoyed the very informative Demo by John Saari-  
nen of how to prepare and carve ice cycles. Thank  
you John!!

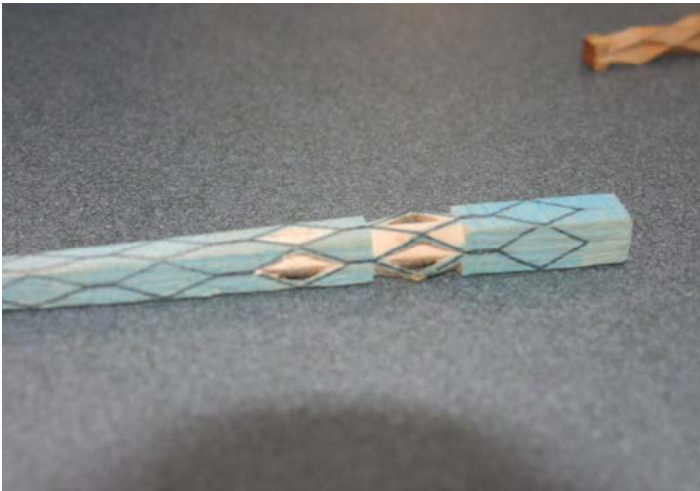

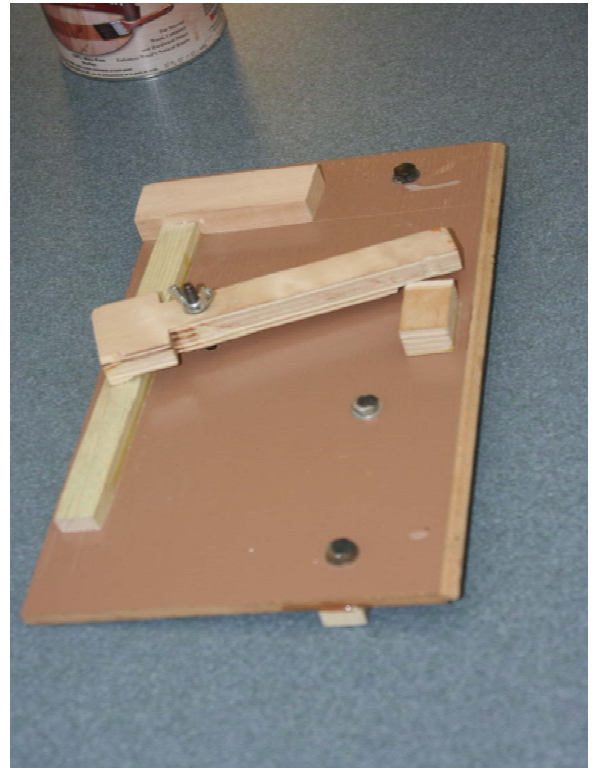

Have a great month and see you at our next meeting.

Sincerely Your Prez,  
Sandra Doran

Member John Saارين demonstrated his method of carving Icicles used for Christmas decorations. He showed several of his carvings, demonstrated how to mark the patterns, and the jig he built to help keep the patterns consistent.
