### President's Corner: By Sandra Doran

Greetings Friends,

We had a long, hot meeting for September but we made it through it with decisions we had to make. We will be

meeting in the media center from now on except when we have a demo.

Pat Murphy has offered to take care of our Go Bys until we can organize how we are going to work out dividing them by groups and having our satellite groups take responsibility of them. More on that later. We just decided also to rent a storage unit. Steve Brandon is looking into this for us.

We have two exciting months ahead of us. In October we will be having Ray Frase visiting us with his lathe and showing us how to turn a bowl. We will be meeting in the wood work shop.

In November we will be having Floyd Rhadigan visit us and showing us how to carve a caricature. He will be bringing blanks and knives to purchase. His Blanks will run \$15 and \$25. His Knives will cost \$30-\$35. I bought a detail knife from him and it has proved to be Indispensable!

Please begin to think about our holiday meeting in December and what you might like to bring. Please bring anything you have carved or wood burned or turned in the past or present that has anything to do with Fall or Halloween to show.

Looking forward to seeing all of you at our October meeting.
