Greetings All,

2019 is going to be a great year for us. We will be starting off January with a bang. We have Gary Bityk with his bark carving demonstration. He will have bark and items for sale, so bring your piggy bank. This is going to be a great opportunity for both veterans and beginners in bark carving to hone our skills.

Arlene Murphy with her wood burning is lined up for February, which will help all those who wish to wood burn a scene of animals, etc, and those that want to embellish their wood carvings.

Right around the corner is our show, so start making plans to have a table to show your work, both old and new.

I am looking forward to seeing all of you January 15th at the Lamphere High School Media Center.

Until then,

Sincerely

Sandy Doran.
